last-minute meals information

Let's face it; we are ALL having a hard time making plans in advance this year. Typically, we would assist you in planning custom dinner and drop-off menus. We created these last-minute menus for convenience, an option for you when you need a meal with short notice, with dishes that we know that we can prepare for you with short notice! These menus include 3 courses, feed 4 guests, and have something for everyone! The menus provide a quality meal when you would prefer to dine at home. We tested them to determine that they will work well as drop off dishes. Our drop off meals are delivered cold in disposable containers with simple heating/assembly instructions included.

When you can plan in advance, please check out our sample drop off menus and in-home chef-prepared meals for more ideas. You will find a greater variety of menu ideas, including salads, proteins, sides, sauces, hor's d' oeuvres, and "one-dish meals" like beef chili, lasagnas, chicken pot pie, and pork ragu! Our goal is to create memorable meals for you that are simple and easy for you to

prepare.
